A newsletter for friends and residents of Oakleaf Village

Wow! Do we have a few, fun parties this month! Our first big event is Thursday, August 8th from 6:45-8:00 in our parking lot. It's Sturgis at Oakleaf, Bike Night! We are so grateful for the volunteers of bikers to come out and let us check out their motorcycles, get our pictures with them and maybe even ride in a sidecar. There will be snacks, a tattoo station, and music by Gene Zenz.

The next big event will be the Oakleaf Alzheimer's Walk Fundraiser. We will have a mini walk at Oakleaf, food, and music by Baily & Band. We are raising money for our Grove Trotters Team to walk in the Walk to End Alzheimer's walk downtown Toledo in October.

Our final big event this month will be our outdoor happy hour, Aloha it's August. We will have wine, beer, and a specialty drink. Herman will be here to play the accordion. Best

of all, we will see who can do the hula!

Be sure to invite your family and friends to these events, as well as any activities we have. It is always fun to have people join in on the fun. The more the merrier!

We are so lucky to live in such a beautiful area. The residents gardens are extra beautiful this year! Make sure you take a stroll to the raised gardens and see them. There are tables, chairs and benches to relax and enjoy the day, or even have a picnic. A group of ladies enjoy watching the hummingbirds on the back patio by the gazebo. There are cozy chairs to lounge on under the awning and visit or watch

the world go by. Be sure to check out the new butterfly garden tucked away by the private dining room. There is a bench for you to sit on and read a book. If you choose to stroll around the building, there are benches along the way to rest and relax. If you choose to walk, invite a friend to go along and always let the front know so they can keep an eye out. Summer is creeping to the end, so take advantage of the beautiful weather while you can!

Give August Your All is the motto this month. Meet a new friend, join in on an exercise class, hear a musician in the lobby or join in on a painting class. Some days are harder than others, but it helps to get out of your room and participate. Looking forward to seeing all of you in August try something new and have fun while doing it!
