April 2025

the Acorn

A newsletter for friends and residents of Oakleaf Village

We have a busy and exciting month from beginning to end in the month of April. We will start the month off by registering to vote and/or applying for an absentee ballot for the Nonpartisan Primary Election on May 6th. Come to the lobby and we will help you get ready for the election.

Fire Safety Day is in the month of April. We will be passing out a form for you to look around your apartments and make sure you are following the fire safety rules of not only our building, but the rules from the Fire Marshall. Did you know we do not allow extension cords in this building. You can only use UHL approved power strips. Do you have a heating pad or a heated blanket in your apartment? Those are not permitted. Some fun facts about your apartment. Your doors are fire proof and we have great sprinkler system in not only your apartments, but the common areas as well. Be sure when you get the list, you check your apartments and go over the safety rules.

Easter is in the month of April. We will be having our annual Easter Egg Hunt. Be sure to invite your family and friends to participate. If you would like to donate candy to put in the plastic eggs, please give it to Alison, Jodi or Derek. We ask that the candy come individually wrapped and small enough to put

“April Showers
Bring May
Flowers”
-Thomas Tusser

in a plastic egg. We have a variety of crafts, games and worship that goes along with the Easter season.

Passover is another holiday celebrated in the month of April this year. We will have a Passover Gathering with homemade food, learn about the meaning of Passover and the traditions. All religions are encouraged to come and celebrate.

We have a few fun, individual, days this month. Wear Your Pajama's to Work Day, High Five Thursday and Superhero Day. Feel free to dress up and participate. Earth Day is also a special day we will celebrate with snacks, planting seeds, crafts and more. One way to celebrate Earth Day is to reduce, reuse and recycle. On May 3rd we will be taking the bus to Westgate Parking lot where you can get personal documents shredded. The 1st 3 bags are free then \$3.00 per bag after that.

We will end the month with a fantastic play by St. Francis, Notre Dame & St. Ursula students at Lourdes College. They will be performing the play “Holiday Inn” and invited us to see it for free. Sign up soon, the bus will fill up fast.

Enjoy the month of April! Get outside and soak in the sun, meet a new friend and try a new activity!

A Note from Heather Evans Assistant Executive Director

"If you want to see the sunshine, you have to weather the storm." —Frank Lane
Ohio's tornado season is defined as April through June. In case of severe weather warnings, Oakleaf Village will take every measure to ensure your safety. We have evacuation and disaster procedures for such events. Tornado: During violent weather periods like tornados, please listen to local radio or television weather reports (a battery powered radio is most dependable). A **Tornado Watch** is given when weather conditions are favorable to the formation of tornados. During a Tornado Watch, keep an eye on the weather and be prepared to take shelter if conditions worsen. A **Tornado Warning** is given when a funnel is sighted or indicated by radar. Take shelter immediately away from glass in your apartment (your shower is the safest location). Take a pillow or blanket to sit on or to cover yourself in case of an actual tornado. You will be advised when it is clear to come out of your apartment. Tornados can form and move quickly. There may not be time for a warning. Please stay alert during severe storms. **Thunderstorm Warning:** Current storm conditions could turn worse at any time, including heavy rain, strong winds, and tornado risks. Remain inside the building, close, and lower all blinds in your apartment and listen for further weather changes. **Power Outage:** Oakleaf Village has a back-up generator for all common areas and for emergency exits. If a power outage occurs, please stay in your apartment until further instructions are given. Just like at home, you should always keep a working flashlight on hand in case of power failure. Emergency lighting in the building will only illuminate hallways and common areas.
